June -2025

June marked a **vibrant beginning** to the academic year at **Adani Vidya Mandir, Bhadreshwar**. From **co-curricular games** and **pencil sketching** to **environmental quizzes** and **cultural celebrations**, students participated with great enthusiasm. I am proud of the regular implementation of **activity-based learning** and the effective use of **TLMs** in classrooms.

These efforts strengthen not only **academic excellence** but also foster **creativity, discipline, and confidence**. I sincerely appreciate the **dedicated staff** and **motivated learners** who bring life to our vision. Together, let us continue building a culture of **holistic education** and nurture **responsible, value-driven individuals**.

Dr. Ashutosh Thakar
Principal, Adani Vidya Mandir, Bhadreshwar

Innovative Teaching Training in Collaboration with Jeevan Bharati

2nd & 3rd, June 2025

School organized a two-day training on **"Classroom Management and Educational Equipment Production"** in collaboration with **Jeevan Bharati Vidyamandir, Surat**. Expert-led sessions focused on subject-specific TLMs, experimental teaching, language activities, and **innovative pedagogy**, empowering teachers for more engaging classrooms.

A Joyful Beginning

Balvatika PRAVESHOTSAV

12th June 2025

AVMB warmly welcomed 80 youngest learners through a vibrant celebration. Chief Guest Commander Abhijit Abhyankar inaugurated the event. Cultural performances, parental participation, and the touching Welcome Wall added charm. Each child received a tree sapling, and the Chief Guest planted one with children, symbolizing growth, care, and environmental responsibility.

International Yoga Day Embracing the Yogic Way 20th June 2025

AVMB celebrated **International Yoga Day** with 205 students and 10 teachers. **Yogacharya Bhupatsinh Sodha** led a structured session on asanas, pranayama, and dhyana. The event inspired mindful living, reduced screen dependency, and strengthened inner balance—reflecting AVMB's dedication to **value-based holistic education** rooted in ancient Indian practices like **yoga**.

The Evolving Adani School

A Step Toward Reflective Teaching

21th June 2025

An online training titled **“The Evolving Adani School”** was conducted for educators across all Adani schools. From AVMB, **27 teachers and the principal** actively participated. The session emphasized **joyful teaching, empathy, technology integration, and lifelong learning**, reinforcing AVMB’s commitment to **continuous professional development and student-centric education**.

Echoes of Kutchiyat

Ashadhi Bij Celebration

26th June 2025

AVMB celebrated **Ashadhi Bij** with cultural pride and student leadership. **664 students** and **31 teachers** participated in performances of **Kutchhi proverbs**, folk dance, and music. **Chief Guest Rachnaben Joshi** praised the event for preserving heritage and promoting identity, showcasing AVMB's dedication to **value-based education rooted in tradition**.

Fostering Environmental Awareness

Quiz Competition for Classes VI to IX

28th June 2025

To cultivate ecological responsibility, AVMB conducted an **Environment Quiz** for Classes VI to IX. In a spirited competition, **Shaurya House** secured first place. Organized with **Secure Nature Society**, the event engaged 269 students. An **Eco Club initiative** installing bird nests and water troughs added a meaningful, action-oriented impact..

CCA Activity of June Month

14th & 28th June 2025

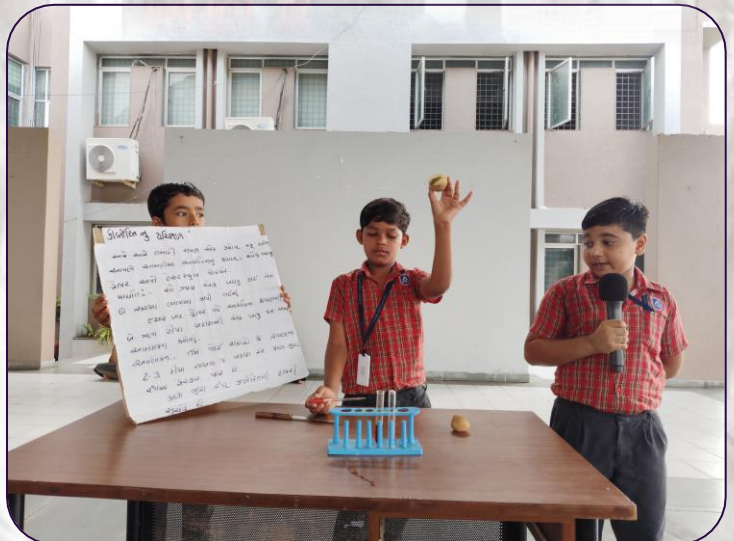

As per the annual CCA calendar, AVMB conducted two activities in June 2025. On **June 14**, students engaged in **indoor and outdoor games** promoting fitness and teamwork. On **June 28**, **creative art** and an **environment quiz** fostered expression and awareness. Both sessions enriched students' holistic development beyond academics.

New Academic Initiative Abacus and Mental Maths Begins

From this academic year, AVMB has integrated **regular Abacus and Mental Maths sessions** into its annual curriculum in collaboration with **EduPro**. These sessions aim to strengthen **numerical skills, mental focus, and calculation speed**, providing students with a solid foundation in mathematics through structured, engaging, and skill-oriented learning.

From Prayer to Practice Assembly Activities

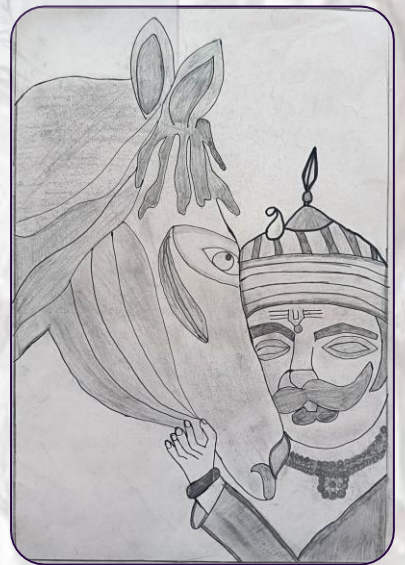

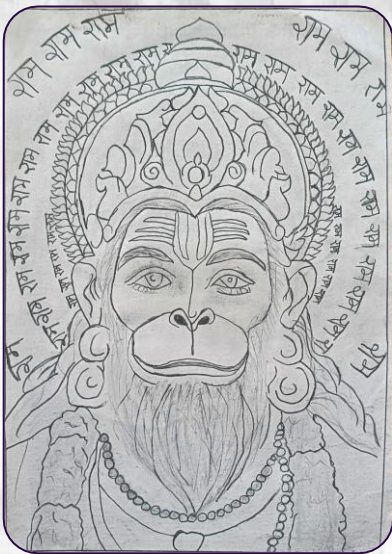

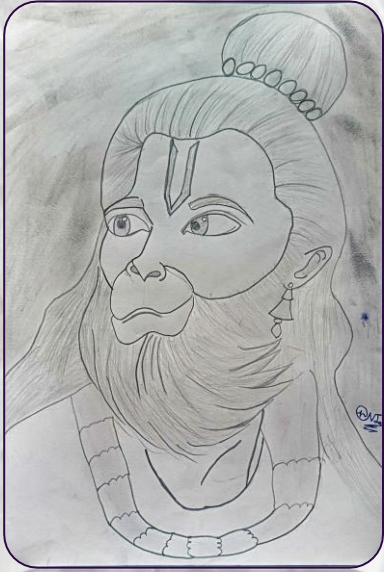

From the beginning of this academic year, the school has initiated **regular theme-based and activity-based morning assemblies**. Designed to promote **values, confidence, and expression**, each session aligns with weekly themes and includes **student-led presentations**, fostering a positive environment and supporting holistic development beyond the classroom.

Regular Practice of Activity-Based Learning with TLMs

The school regularly follows an **activity-based teaching approach** with consistent use of **Teaching-Learning Materials (TLMs)** across all classes. This ongoing practice ensures **better concept clarity**, encourages **active student involvement**, and supports a **joyful, hands-on learning environment**, reflecting the school's commitment to meaningful and effective classroom instruction.

Sketching Creativity in June

As part of its monthly creative engagement, the school encouraged students to explore their artistic talents through **pencil sketching** in June. This activity helped enhance **observation skills, patience, and fine motor coordination**. Students expressed themes with detail and depth, reflecting their growing interest in visual arts and creativity
