## September -2025

The month of September at **Adani Vidya Mandir, Bhadreshwar** reflected **gratitude, innovation, and cultural pride**. Celebrations began with **Teachers' Day**, where students expressed heartfelt appreciation, and a grand virtual program connected all **Adani Foundation schools across India**, with dignitaries personally visiting AVMB to honor teachers.

Academic excellence was strengthened through **NABET training**, while **Hindi Week** nurtured language skills and confidence. Creativity flourished through **Warli Art** and sketches on *Mata Durga*, and students showcased innovation at the **School, Taluka, and SVS Science Fairs** with projects on **mangroves, eco-bricks, and Fibonacci models**.

After the **Parent Meeting**, the school placed special emphasis on **focused study and preparation for the upcoming First Term Examination in October**. Teachers guided students with practice, revision, and doubt-clearing sessions, ensuring strong conceptual understanding. **Navratri celebrations** and **Garba-Dandiya activities** complemented learning by fostering unity, discipline, and confidence, while **assemblies and activity-based learning in KG** nurtured curiosity, values, and collaboration.

**Dr. Ashutosh Thakar**

Principal, Adani Vidya Mandir, Bhadreshwar

# Honoring Educators

## AVMB's Teachers' Day Celebration

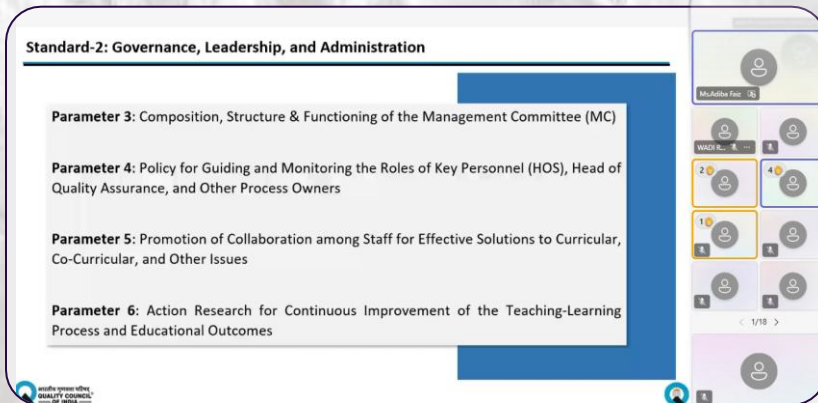

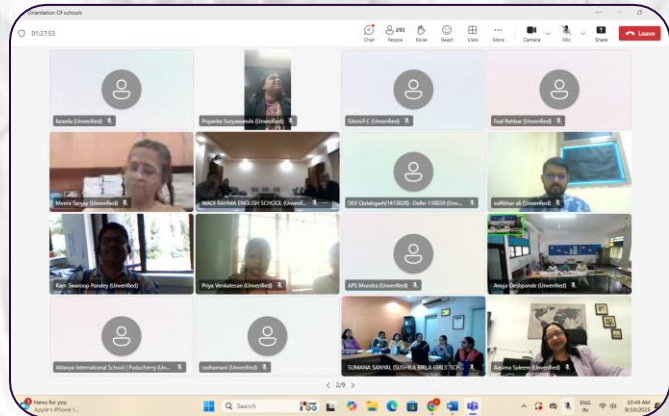

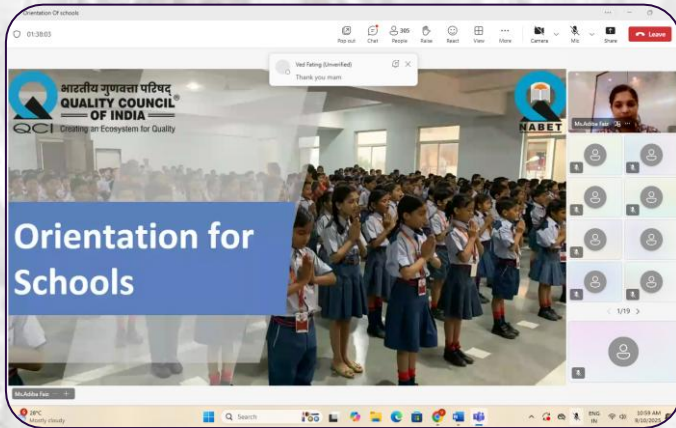

### 4<sup>th</sup> September 2025

**AVMB celebrated Teachers' Day with student-teacher activities, heartfelt gratitude, and joy. A grand virtual celebration by the Adani Foundation connected all Adani Foundation schools across India, highlighting teachers' invaluable role. Adding to the pride, Mr. Rakshit Shah, Ms. Panktiben Shah, and the AF team personally visited AVMB, presenting teachers with gifts of appreciation.**

# AVMB Updates Skills Through NABET Training 10<sup>th</sup> September 2025

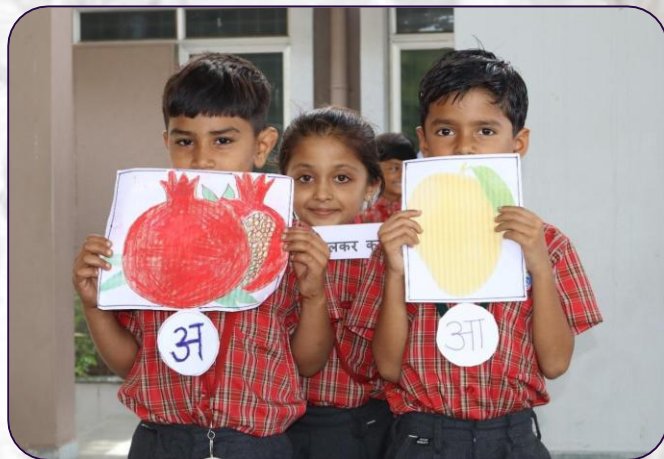

AVMB participated in an online NABET training attended by **five members** from the school, along with **around 312 principals and teachers** from across India. The session explained the **revised framework**, reduction of evaluation points from **250 to 180**, and updated **domain weightage from 40 to 36 points**. Delivered by Ms. Adiba Faiz, the training helped the school strengthen **documentation**, adopt **authentic practices**, and prepare confidently for upcoming assessments..

# Nurturing Language and Culture

## Hindi Week 2025 at AVMB

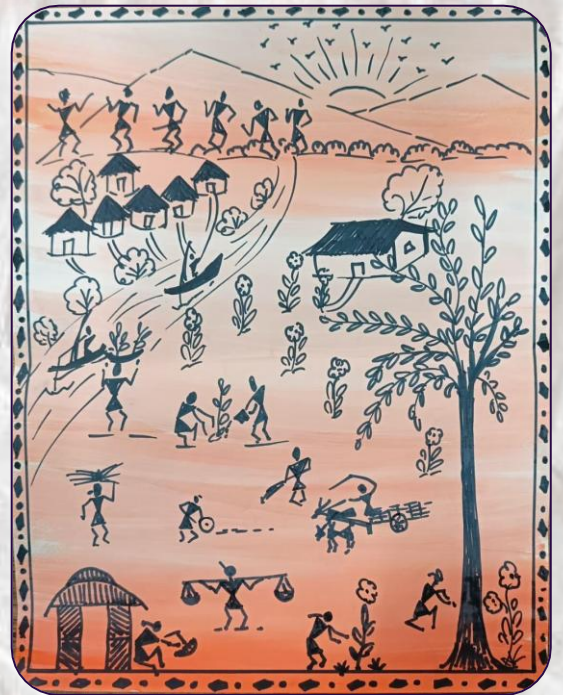

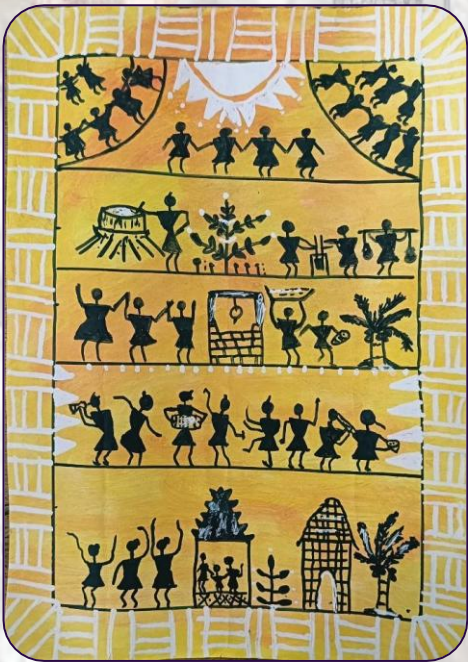

8<sup>th</sup> to 12<sup>th</sup> September 2025

AVMB celebrated **Hindi Week** from **8<sup>th</sup> to 12<sup>th</sup>** September 2025 with students from **Classes I to IX** participating in activities like **word-making, story writing, and expressive reading.** Students actively engaged, improving their **Hindi skills, creativity, and confidence.** The celebrations highlighted Hindi as an important part of **cultural identity and national pride.**

# Creativity and Conservation Students Showcase Warli Art 12<sup>th</sup> September 2025

AVMB participated in the “**Story of Nature with Nature's Canvas 2.0**” drawing competition, with **10 students** showcasing their creativity using **Warli Art**. Guided by Mr. Naran Maheshwari, students depicted **wildlife, forests, and conservation themes**. The event fostered **artistic skills, environmental awareness, and responsibility** among participants.

# Parent Meeting

## A Step Towards Students' Bright Future

### 13<sup>th</sup> September 2025

AVMB organized a **Parent Meeting** for **Classes IV to X** with **369** parents and **30** teachers participating. Parents reviewed **PA-1 results**, discussed academic progress, behavior, and guidance for home support. The meeting strengthened **school-parent partnership**, addressed concerns, and fostered a shared commitment to students' **growth, confidence, and future success**.

# Nurturing Young Innovators

## AVMB's Success at Science Fair

### 19<sup>th</sup> September 2025

AVMB students secured **1<sup>st</sup> rank** at the school level in a **Science Fair** organized by BRC and the District Education Committee, Kachchh. Their projects on **mangroves** and **screen-time effects** were **showcased at the Taluka-level fair**, demonstrating **scientific understanding, creativity, and practical solutions**, and fostering critical thinking and innovation.

# AVMB's Creative Projects at SVS Science Fair

## 19<sup>th</sup> September 2025

AVMB participated in the **SVS Level Science Fair** at Mundra, presenting **two innovative projects** on **Eco-Bricks** and **Fibonacci Serpentine**. Guided by teachers, students demonstrated their models, explained processes, and engaged visitors, showcasing creativity, scientific inquiry, and problem-solving skills. The fair fostered **learning, exploration, and innovation** among participants.

# Celebrating Culture and Tradition

## Navratri at AVMB

27<sup>th</sup> September 2025

AVMB celebrated **Navratri** with a vibrant program combining **cultural learning, moral education, and festive joy**. Activities included a **collective aarti, storytelling of Maa Navadurga, and ras-garba**. The celebration fostered **devotion, unity, respect for traditions, and cultural pride**, providing students and teachers with a joyful and meaningful experience.

# Nature and Wildlife Photography Exhibition at AVMB

## 27<sup>th</sup> September 2025

AVMB hosted the *"Maa Ka Pyar – Wildlife Photography Exhibition"* in collaboration with Secure Nature Society and Eco-Ksallab. Students explored **Kutch's rich biodiversity**, attended **wildlife talks**, and viewed the documentary *"Paani Aur Pankh"*. The event inspired **love for nature**, **compassion for animals**, and a strong sense of **eco-conscious responsibility**.

# CCA Activity of September Month

AVMB organized Garba/Dandiya decoration for Classes I to V, with parents actively decorating and participating alongside their children, and Garba singing competitions for Classes VI to IX. These CCA activities encouraged creativity, teamwork, and cultural appreciation, allowing students and parents to celebrate Gujarat's folk traditions while developing confidence and collaboration skills..

# From Prayer to Practice Assembly Activities

In September, during the **morning prayer assemblies**, students presented inspiring stories of **women achievers in different sports fields**. They also shared the cultural significance of **Navratri**, explained the essence of **newly composed Garbas**, and performed **various traditional Garba styles**. These assemblies, held as part of daily prayers, nurtured **confidence, creativity, cultural awareness, and communication skills** among students.

# Regular Practice of Activity-Based Learning with TLMs

In September, the school focused on **KG students** with activity-based learning centered on **recognizing letters and numbers**. Through engaging exercises, children enhanced **observation, understanding, and participation skills**, making learning fun and interactive. These activities fostered **curiosity, foundational knowledge, and confidence** in young learners.

# Sketching Creativity in September

As part of the Annual Drawing Awareness Program, students of AVMB created expressive sketches in September on the theme: **"Mata Durga – Symbol of Strength and Devotion."** The artworks showcased students' **creativity, cultural awareness, and reverence**, reflecting their understanding of the goddess's significance and the values she represents.
