Learners explored **ancient architecture**, **Jain values**, and cultural history in a peaceful setting. The visit strengthened their academic understanding while building **curiosity**, **reflection**, and appreciation for India's rich cultural roots.

CCA Activity of November Month

22th & 29th November 2025

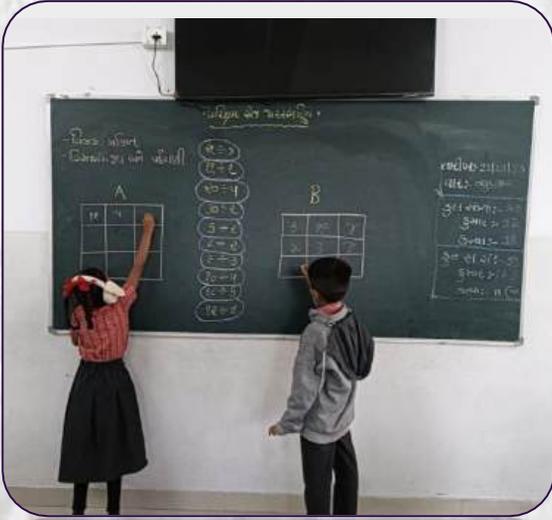

In November, AVMB conducted two engaging CCA activities. On **22th November**, students from Classes 1 to 9 participated in storytelling, picture story, street play, and debate, strengthening creativity and communication. On **29th November**, KG to Class 8 enjoyed classroom games that promoted teamwork, focus, and quick thinking. Both activities supported students' holistic development.

From Prayer to Practice Assembly Activities

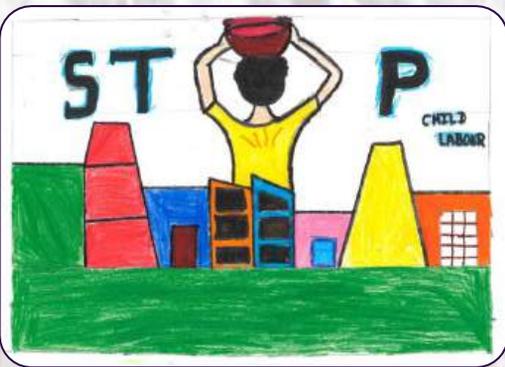

Regular theme-based and activity-based morning assemblies were conducted throughout November. Students presented **short skits, humorous dances, and creative role-plays** in attractive costumes. They confidently delivered **news updates, thought-for-the-day,** and value-based messages. These assemblies encouraged expression, teamwork, and discipline, creating a positive and energetic start to the day.

Regular Practice of Activity-Based Learning with TLMs

In November, students engaged in **creative** and **hands-on learning** that strengthened basic skills and confidence. They enjoyed activities like inflating balloons, designing decorative torans, and completing **pen-paper less** unit tests through oral and practical tasks. Learners also worked on **waste-to-best** projects, making paper bags and building small houses from old cardboard. These experiences built **imagination, fine-motor skills,** and encouraged **active, joyful participation** in the classroom.

Sketching Creativity in November

As part of the Annual Drawing Awareness Program, students of AVMB created thoughtful and expressive artworks in **November** on the themes: **"Right to Education," "Anti Child Labour,"** and **"Child Safety."** These creative pieces highlighted students' understanding of children's rights and their commitment to a safer, more inclusive world. The drawings reflected awareness, sensitivity, and a strong sense of social responsibility.
