## December -2025

December was marked by **achievement, enrichment, and experiential learning** across the school. Students brought pride through **sports and academic accomplishments**, including strong performances at **Khel Mahakumbh**, participation in **Mathfinity on National Mathematics Day**, and the conduct of the **Sanskrit Gaurav Examination**, which strengthened subject understanding and examination readiness.

Learning beyond classrooms continued through **educational visits**, celebration of **Mathematics Week**, and participation in a **student health camp**, promoting both intellectual growth and well-being. Students also expressed confidence and creativity through **CCA activities**, picture story writing, recitation, and oratory.

Regular **morning assemblies, activity-based learning with TLMs**, and drawing activities on the theme "**No Drugs**" further encouraged **awareness, discipline, values, and responsible citizenship**.

# AVMB Star Athlete Shines at Khel Mahakumbh 3<sup>rd</sup> December 2025

**AVMB** strongly promotes holistic development through sports. Class V student **Vivan Ethvadiya** showcased exceptional talent at Taluka and District Khel Mahakumbh 2025, securing First in the 50m race and Broad Jump at Taluka level and Second at District level, qualifying for the **State-level Athletics Championship**, reflecting dedication, perseverance, and sportsmanship.

# AVMB Shines at India School Merit Awards 5<sup>th</sup> December 2025

Tap here →

**AVMB** has been recognized as the **No. 1 School in Kutch** by Education Today at the India School Merit Awards 2025. This honour reflects the school's commitment to **academic excellence, holistic development, innovative teaching, and value-based education**, supported by dedicated teachers, disciplined students, and active parental involvement.

# Academic Enrichment through the Sanskrit Gaurav Examination

## 8<sup>th</sup> December 2025

**AVMB** conducted the **Sanskrit Gaurav Examination**, promoting students' linguistic skills, cultural values, and examination readiness. Students from Classes VI–IX participated across three levels, enhancing grammar, vocabulary, comprehension, and analytical thinking. The initiative strengthened academic foundations, built confidence and discipline, and contributed to holistic development, fostering a deeper understanding and appreciation of Sanskrit.

# Students' Educational Visit to Cineplex

## 13<sup>th</sup> December 2025

Tap here →

**AVMB** organized a meaningful learning experience by taking students from **Grades VI to IX** to watch the Gujarati film *Jeev*. The film's **powerful message of compassion, empathy, and respect for life** enriched learning beyond textbooks. **The school extends sincere thanks to Mr. Rakshitbhai Shah, ED, APSEZ,** for the valued support that made this experience possible.

# AVMB Honoured with National Shiksha Award 20<sup>th</sup> December 2025

Tap here →

AVMB was honoured with the **National Shiksha Award**, recognising its commitment to **academic excellence, holistic student development, and value-based education**. The achievement highlights the school's learner-focused teaching, structured support systems, and emphasis on co-curricular and life skills education, reflecting the dedication of teachers, enthusiasm of students, and strong community support.

# Participation in Mathfinity 2025 on National Mathematics Day 22<sup>nd</sup> December 2025

Tap here →

**AVMB** proudly participated in **Mathfinity 2025**, a game-based mathematics competition held at **Dr. H. R. Gajwani College of Education, Adipur**, on National Mathematics Day. A Class IX student represented the school, reached the final round, and earned a certificate, showcasing strong **logical thinking, confidence, and problem-solving skills**.

# Celebration of Mathematics Week and National Mathematics Day

## 15<sup>th</sup> to 19<sup>th</sup> December 2025

**AVMB** celebrated **Mathematics Week** and **National Mathematics Day** to make math enjoyable and inspiring for all students. They explored Ramanujan, Shakuntala Devi, Aryabhata, and Bhaskaracharya through quizzes, puzzles, and creative plays, boosting curiosity, logical thinking, and problem-solving skills. Maths Magic Show and Abacus activities added fun, excitement, and practical learning experiences.

# Ensuring Well-Being AVMB Students Attend Health Camp 24<sup>th</sup> December 2025

**AVMB** deputed 41 students to a **medical camp** organized by Shri Bidada Sarvodaya Trust in collaboration with IDRf. Students underwent **dental, eye, skin, ENT, and physiotherapy check-ups**, and received guidance on **hygiene, nutrition, and preventive healthcare**. The camp promoted **early medical intervention**, enhanced health awareness, and supported the overall **well-being** of students.

# CCA Activity of December Month 13<sup>th</sup> & 27<sup>th</sup> December 2025

In December, **AVMB** organized two **lively CCA activities**. On 13<sup>th</sup>, Classes I–V participated in **Recitation** and VI–IX in **Oratory**, boosting **confidence, creativity, and communication skills**. Later, on 27<sup>th</sup>, all students engaged in a **Picture Story Writing Competition**, enhancing **observation, imagination, and expression**, contributing to their overall **holistic development**.

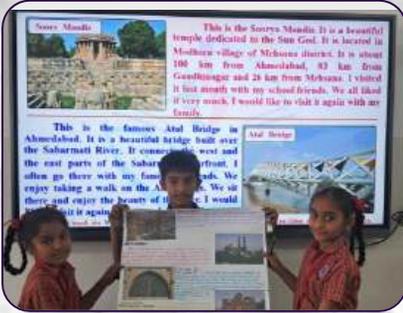

# From Prayer to Practice Assembly Activities

Tap here →

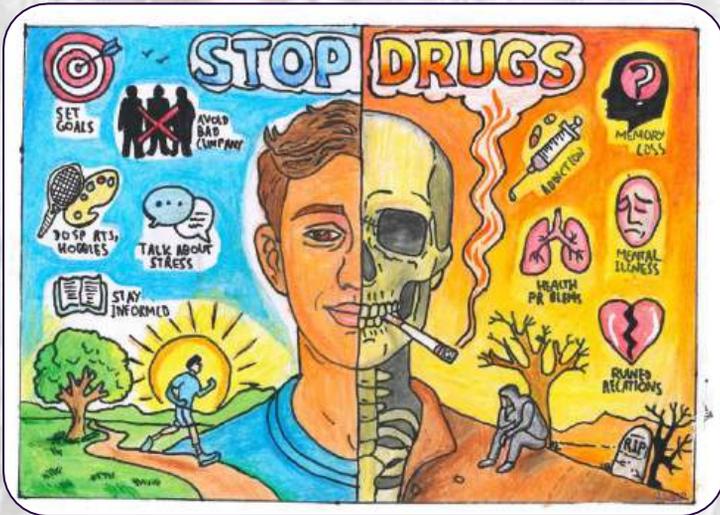

Regular theme-based and activity-based morning assemblies were conducted throughout **December**. Students presented **nature- and environment-based skits**, village-life role plays, and **disaster-management awareness acts**, sharing messages about mountains, land, and natural resources. **Cultural dances and expressive performances** added energy, encouraging awareness, teamwork, and a positive start to the day.

# Regular Practice of Activity-Based Learning with TLMs

In **December**, AVMB classrooms buzzed with **activity-based learning**. KG and primary students explored concepts through **musical chairs, market and shop role-play**, and joyful interactions. Senior students strengthened learning with **chart work, Hindi reading activities, letter writing and postal learning**, and engaging **science activities on static electricity**, making learning practical, lively, and meaningful across grades.

# Sketching Creativity in December

As part of the **Annual Drawing Awareness Programme**, students of **AVMB** created meaningful and expressive artworks in **December** on the theme "**No Drugs.**" The drawings highlighted awareness about the harmful effects of substance abuse and promoted healthy choices. Students' creativity reflected responsibility, sensitivity, and a strong commitment to a safe and positive lifestyle.
