Newsletter

February-2026

February at AVMB reflected purposeful progress and vibrant engagement across academics, health, and culture. The school proudly became an **SSC Examination Centre**, benefiting nearby students. Initiatives such as **developmental assessments, Addiction Awareness Camp, and 108 emergency training** strengthened student well-being, safety awareness, and life skills.

Cultural celebrations including **Matru–Pitru Pujan Diwas, International Mother Language Day**, classical music achievements, **National Science Day digital posters**, CCA sports, assemblies, and activity-based learning enriched creativity, confidence, and holistic development throughout the month.

Wheels for Education

Musaphir Vikas Inspires AVMB Students

2nd February 2026

Tap here →

AVMB welcomed **Mr. Vikas Chorsiya (Musaphir Vikas)**, a civil engineer and solo cyclist promoting education across India. He interacted with Class X students, shared his **Wheels for Education** journey, discussed the importance of **education**, and showcased his **bicycle and travel gear**, inspiring students to value learning and aim for a brighter future.

Hands-On Learning

AVMB Students Explore Life-Saving Skills

10th February 2026

AVMB organised an exciting hands-on session for Classes VI–IX with the 108 Emergency Ambulance Service. Students explored **ambulance equipment**, learned **CPR**, and practiced **first-response skills**, experiencing real-life emergency care. The interactive programme boosted **awareness, confidence, and responsibility**, showcasing AVMB's commitment to **holistic, experiential learning** beyond the classroom.

AVMB Teachers Attend Training at Children's Research University 12th February 2026

AVMB sent two teachers to a two-day **Bagless Day training** at Children's Research University, Gandhinagar. The programme focused on **activity-based, experiential learning, skill development, and creativity**. Teachers explored practical strategies and structured activities, strengthening AVMB's commitment to **child-centered, joyful, and meaningful education** in every classroom.

Honouring Roots, Strengthening Values Matru–Pitru Pujan Diwas Celebration 14th February 2026

Tap here →

AVMB celebrated **Matru–Pitru Pujan Diwas** with **365 students** (Classes IV–IX), **43 parents**, and **19 teachers**. Students with **100% attendance** were specially acknowledged along with their parents. The programme featured **songs, dance, and drama**, guided by teachers, and concluded with a traditional **puja ceremony**, fostering **gratitude, respect, and strong family bonds**.

Early Assessment for Holistic Growth

17th February 2026

AVMB organized a **developmental assessment** in collaboration with Kutch Physiotherapy and Ashirwad Audiology & Speech Therapy. **99 students** were evaluated for **physical, speech, and hearing concerns**, with **56 parents** present. Teachers received guidance to support students in class, ensuring **early intervention, holistic development, and inclusive learning** for every child.

Awareness and Prevention A Step Against Addiction 19th February 2026

AVMB organized an **Addiction Awareness Camp** under **Vyasan Mukti Abhiyan** in collaboration with **Brahma Kumaris**. **245 students** (Classes IV–IX) and **14 teachers** attended. Through discussions, audiovisuals, and **Rajyoga** guidance, students learned the dangers of harmful habits, the importance of self-discipline, and pledged to remain **addiction-free**, promoting a **healthy, responsible lifestyle**.

Celebrating Linguistic Heritage International Mother Language Day 21th February 2026

Tap here →

AVMB celebrated **International Mother Language Day** to promote pride in the **Gujarati language** and cultural heritage. In collaboration with the Rotary Club of Adipur Samarth, students presented **Gujarati songs**, and noted **Gujarati litterateur Rajubhai Utsav** inspired literary interest and creative expression, making the celebration meaningful, engaging, and culturally enriching for all.

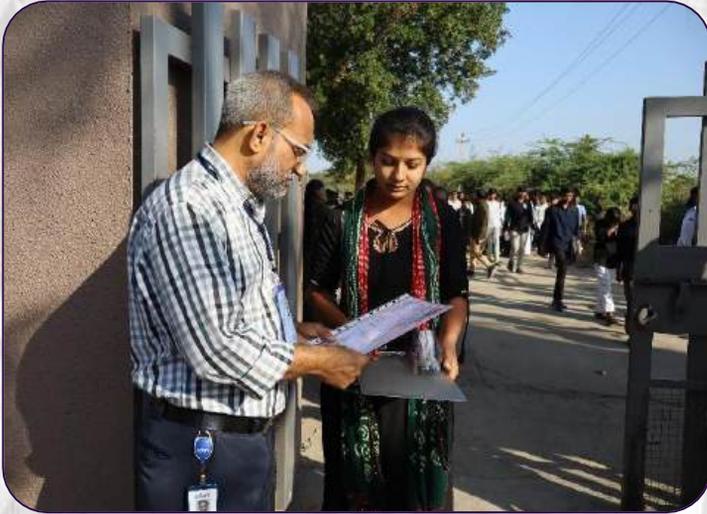

AVMB Students Shine in Classical Music Examination

21th February 2026

AVMB students appeared for the **Classical Music Examination** conducted by **Akhil Gujarat Sangeet Vidyapith, Veraval**. A total of **26 students** (23 girls, 3 boys) participated, performing **vocal and instrumental music**. All were awarded **certificates**, impressing examiners with their **talent, dedication, confidence, and mastery of melody and rhythm**.

AVMB Becomes Official SSC Examination Centre 26th February 2026

AVMB was designated an **SSC Board Examination Centre** for the first time, benefiting approximately **300 students** from seven nearby schools. The school ensured **organized seating, disciplined supervision, and adherence to guidelines**, providing a **convenient, stress-free environment** and reinforcing its commitment to **accessible and student-friendly education**.

Young Talent Brings Pride to AVMB

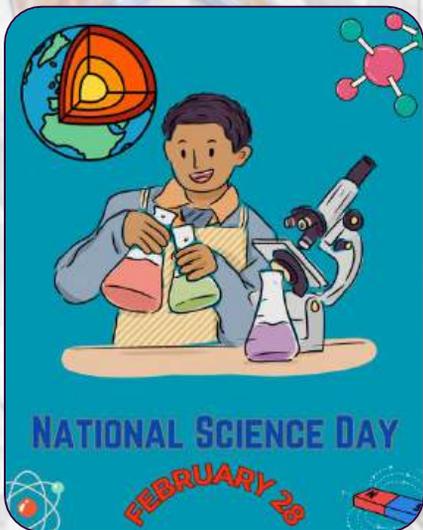

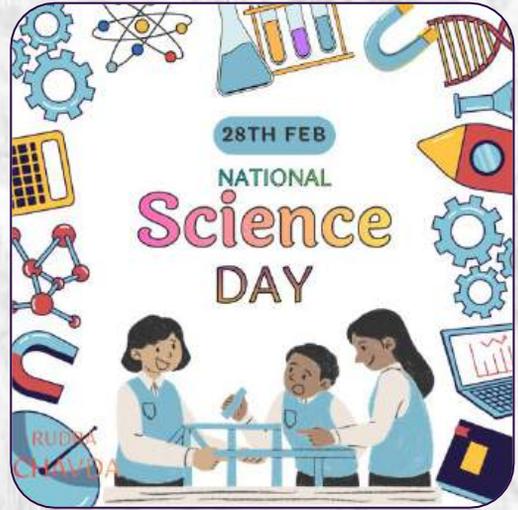

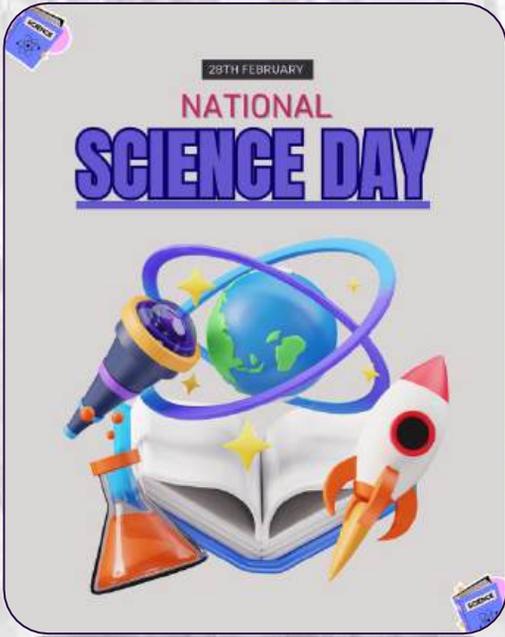

28th February 2026

AVMB proudly celebrates the achievement of **Class 9 student Chhaya Maheshwari**, who impressed audiences with her **confident and melodious performance** at a cultural programme in Adipur. Guided by her **dedicated music teacher**, she received a **cash prize of ₹11,000**, reflecting the school's continuous support in nurturing artistic talent and excellence.

Fostering Scientific Thinking Through Digital Creativity

28th February 2026

Tap here →

On **National Science Day**, AVMB encouraged scientific thinking and innovation among students. Learners created **digital posters using Canva**, presenting scientific ideas with creativity and clarity. By blending science with technology, the school continues to nurture curious, confident, and future-ready young minds.

CCA Activity of February Month 14th February 2026

In **February**, AVMB organized an engaging **CCA activity** focused on sports and teamwork. A House-wise **Tug of War Competition** was conducted for Classes VI to IX, with separate matches for boys and girls. The activity promoted physical strength, coordination, unity, and healthy competition, encouraging enthusiastic participation and strong house spirit among students.

From Prayer to Practice Assembly Activities

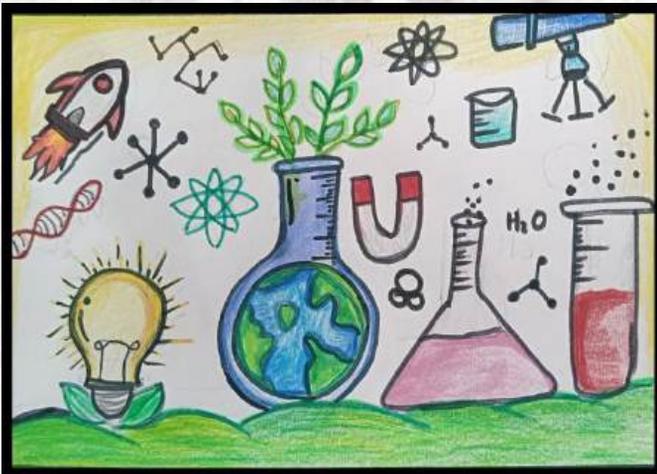

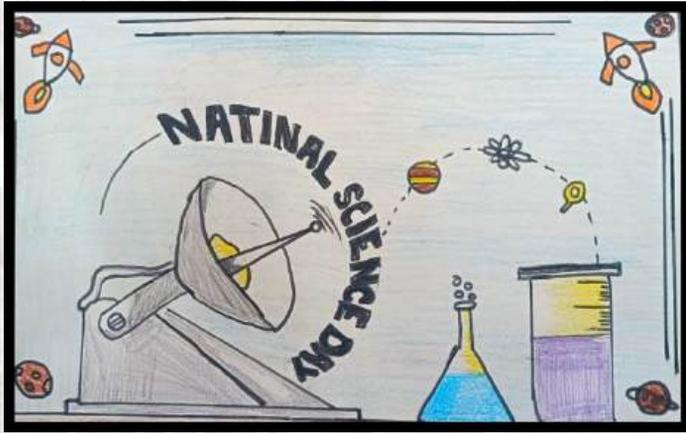

Regular theme-based and activity-based morning assemblies were conducted in **February**. Students presented impactful **nukkad nataks and skits on saving the environment**, spreading awareness about pollution control, tree plantation, and conservation of natural resources. Their confident performances promoted environmental responsibility, teamwork, and social awareness, ensuring a thoughtful and energetic start to each day.

Regular Practice of Activity-Based Learning with TLMs

In February, **AVMB KG** students enjoyed making **tiny brooms from dried neem twigs**, learning traditional craftsmanship. Class 6 held a **Hindi debate on science**. Classes 7–8 explored **natural and man-made disasters in SST**, preparing **quizzes and PPTs using Canva**, along with **charts, videos, and skits**. Class 9 studied “**India: Public Life**” via **projects, models, and quizzes**.

Sketching Creativity in February

As part of the **Annual Drawing Awareness Programme**, students of AVMB created vibrant and imaginative artworks in **February** on the theme **“National Science Day.”** The drawings beautifully depicted rockets, laboratories, planets, atoms, and scientific experiments, reflecting curiosity and innovation. Students’ creativity highlighted scientific thinking, exploration, and enthusiasm for discovery and learning.
