

# AVMB

## Newsletter

### March-2026

March at AVMB reflected **purposeful learning, creativity, and responsible engagement** across academics and co-curricular areas. The school ensured smooth **SSC examinations**, while teachers utilized time through **Rajyog meditation**, promoting well-being and balance.

Key initiatives like **STEM learning, project-based activities**, and **digital skill development** strengthened practical understanding and future readiness. Transparent processes such as **KG admission verification and draw** reinforced fairness and trust.

Creative expressions through **assemblies**, drawing on **"Unity is Strength,"** and participation in the **Birdhouse Making Competition by Secure Nature Society** promoted awareness, responsibility, and holistic development throughout the month.

# A Step Towards Mindful and Balanced Teaching

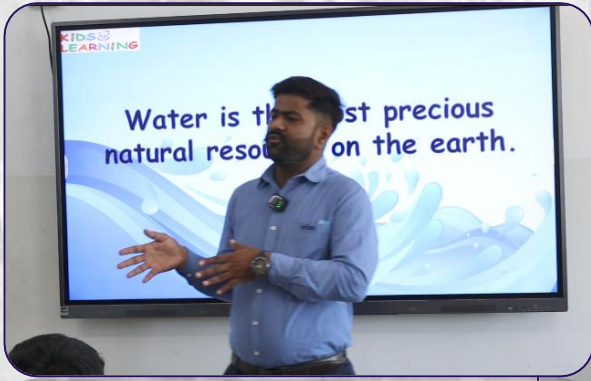

## 11<sup>th</sup> to 16<sup>th</sup> March 2026

AVMB teachers, who were not on supervision duty during the SSC exam period, made meaningful use of their time by attending **Rajyog meditation sessions** at Brahma Kumaris centres. The sessions promoted **mental peace, positive thinking, and emotional balance**, enhancing **focus, confidence, and stress management**, and supporting a **calm, effective teaching-learning environment**.

# STEM Learning on Water Purification and Sustainability

13<sup>th</sup> March 2026

AVMB conducted a **STEM-based lesson** on water pollution for **Class VII students**, engaging them in learning how to make water **safe for drinking** and creating **prototype models** for purification using low-cost materials. The activity promoted **scientific reasoning, environmental awareness, and problem-solving skills**, encouraging hands-on learning and understanding of sustainable solutions.

# Home Visits for Verification of Class KG Admission Eligibility 20<sup>th</sup> March 2026

AVMB conducted **systematic home visits** for KG admissions to verify **family details**, documents, and eligibility. Teachers visited multiple villages, ensuring **accuracy and transparency** through digital records. The process prioritized deserving non-fishermen community applicants, maintaining **fairness, accountability, and proper documentation**, while reinforcing trust and ensuring only genuinely eligible students proceeded further.

# Fair and Transparent Sr. KG Admission Process 23<sup>rd</sup> March 2026

AVMB conducted a **transparent admission draw** for **80 Sr. KG seats** in the presence of parents, ensuring complete **fairness and accountability**. **Eighty students** were selected, while **13** were placed on the **waiting list**. Priority was given to the **fishermen community**, reflecting inclusivity and strengthening parents' trust in the school's admission process.

# Building Digital Skills for Future Readiness

## 27<sup>th</sup> March 2026

AVMB supports **digital literacy** by encouraging a Class X student to learn **basic computer skills** after SSC exams. Through daily practice, the student explores **Canva** and **PowerPoint**, creating presentations and using simple AI features. This hands-on learning builds **confidence, creativity**, and essential skills for future academic and technology-driven environments.

# Comprehensive Oral Assessment for Holistic Student Development

## 30<sup>th</sup> March 2026

AVMB conducted the **Annual Oral Assessment** for Classes I–VIII, focusing on **conceptual understanding, communication skills, and confidence**. Students were evaluated through **oral responses, project presentations, and observation-based tasks**. The process ensured **comprehensive evaluation**, highlighting strengths and areas for improvement, and supporting continuous academic growth and overall student

# Creative Efforts for Bird Conservation and Sustainability

31<sup>st</sup> March 2026

**Honorable Mention**

Artist : Chavda Prachi Rajesh

Artist : Chavda Prachi Rajesh

**Champions are here**

The winning entry stood out not just as a beautiful craft, but as a thoughtful and purposeful creation designed with both birds and nature in mind.

**Champion of the Contest**

Artist : Naran Maheshwari

Artist : Naran Maheshwari

AVMB participated in a **Birdhouse Making Competition** organized by **Secure Nature Society**, an environmental organization promoting bird conservation. The initiative encouraged **creativity** and **responsibility towards nature**. A teacher won the **Champion title**, while a Class IV student received an **Honorable Mention**, inspiring awareness and meaningful contributions toward a **sustainable future**.

# From Prayer to Practice Assembly Activities

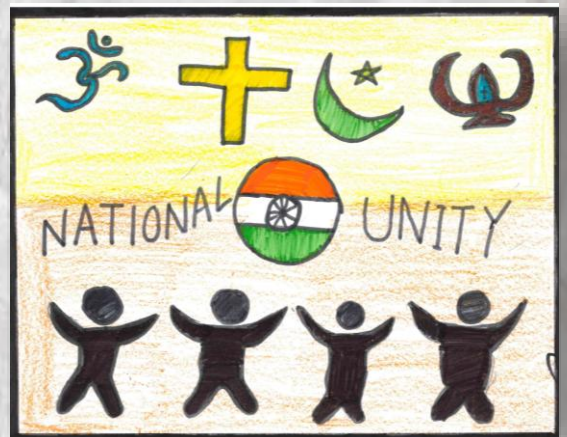

Regular theme-based and activity-based morning assemblies were conducted in March. Students presented engaging **nukkad nataks, skits, and mono-acts** on the theme *“Mobile Addiction,”* spreading awareness about its impact on daily life. Activities like **songs** and **dance** enhanced rhythm, expression, flexibility, and unity. Their confident performances promoted social awareness, communication skills, and ensured an energetic start to each day.

# Regular Practice of Activity-Based Learning with TLMs

In March, AVMB KG students enjoyed creating **tiny baskets** from colorful paper, learning creativity and fine motor skills. They explored **Hindi letters** using flashcards, understanding sounds and words playfully. **Upper Primary and Secondary** students made **low-cost science models** and **charts** and participated in **Sanskrit quiz games**, fostering curiosity, imagination, and hands-on learning.

## Sketching Creativity in March

As part of the Annual Drawing Awareness Programme, students of AVMB created **vibrant** and **imaginative** artworks in March on the theme **“Unity is Strength.”** The drawings beautifully depicted people from different **communities, cultures, and traditions** coming together, reflecting **harmony, cooperation, and togetherness.** Students’ creativity highlighted the **power of unity, mutual respect, and enthusiasm** for fostering **social harmony.**
